Michelle Roy Kelly : Adams Internet Job Search Almanac (2001-2002) before purchasing it in order to gage whether or not it would be worth my time, and all praised Adams Internet Job Search Almanac (2001-2002):

The Adams Electronic Job Search Almanac is the most comprehensive, up-to-date guide available on tapping the online job market. Geared toward computer users of all levels, this easy-to-use resource covers all aspects of job

hunting, including how to: -- Find millions of current job listings using the Internet, bulletin boards, and other online career resources-- Create and post your own electronic or multimedia resume-- Take advantage of the career services offered by America Online and hundreds of Web sites-- Network with your professional peers in cyberspace via special-interest newsgroups-- Research potential employers using the World Wide Web to clinch job interviews and win job offers
