Four StarsBy Ann LeGood book, a lot of the advice is pure common sense. You can google all of this information now.0 of 0 people found the following review helpful. Great

way to start a careerBy Artluvin-grammaThis was another required book for the last of Art classes, known as Professional Practices, 1 2.This one is also a keeper.

Is art a matter of inspiration or learning? This text offers practical advice to young artists hoping to make the transition from art school student to independent artist. Topics include how to approach and deal with galleries and dealers, how to set up a studio and how to finance the transition.
