From Brand: Information Plus : Careers and Occupations - Jobs for the 21st Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Careers and Occupations - Jobs for the 21st Century:

Book by

A valuable asset (we) strongly recommend -- Voice of Youth Advocates... timely topics ... The importance of the topics and their balanced treatment recommend them to the reference and circulation collections of school, public and academic libraries. -- American Library Association BooklistFew, if any, other publications provide such a

tremendous amount of information in as succinct and readable a manner ... All secondary school libraries should seriously consider adding Information Plus to their collection. -- Curriculum Information Plus provides inexpensive, quick, objective, comprehensive, and compact access to timely topics. -- Book Center of Spalding University, Louisville, KY
