From Chambers : Chambers Dictionary of Etymology before purchasing it in order to gage whether or not it would be worth my time, and all praised Chambers Dictionary of Etymology:

0 of 0 people found the following review helpful. GreatBy delkGreat quality thank you.1 of 1 people found the following review helpful. ReferenceBy kat harrisA Complete Etymology Dictionary. A Great Book To Read a Bit each night, for a parent/child or an interested or Collegiate person. I Value My Copy.2 of 2 people found the following review helpful. referenceBy Delbert Carl HighlandsIt is not as profitable as a reference compared to others I've used. The section in the American Heritage Dictionary on etymology, for example, although brief, is better. And, when

comparing some entries between the the two, I find unexplained discrepancies. Regardless, I will keep it on my reference shelf.

With over 30,000 entries, Chambers Dictionary of Etymology is a prestigious and scholarly dictionary that explains where English words come from. An important etymological resource for the expert, it is also a useful reference source for the general reader.
