Michael Howard : Civil Litigation and Dispute Resolution: Legal English Exercise Book (Legal Study E-Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil Litigation and Dispute Resolution: Legal English Exercise Book (Legal Study E-Guides):

1 of 1 people found the following review helpful. This Book Helped Improve My Legal EnglishBy Usmy Indiana"You

can't make a convincing argument if you can't even speak proper English," that was my brother's very encouraging note to me when I told him I want to study law. English has never been my strongest subject, my grammar often goes haywire, and I've always been ashamed of that. Micheal Howard's Legal Study E-Guide helped me SO MUCH to improve my english and subsequently, my confidence level! Law books are always so complicated with all the big jargons but this book explains legal English vocabulary clear and simple. The 100 test questions gave lots of practical practice that helps me remember all those big words. I often use it as a dictionary or guide of sorts as an accompaniment to my regular law books. I chose this book because I thought it was important that the author, Micheal Howard was both an experienced lawyer and English teacher. He really did combined all his experiences to create something immensely useful and practical for law students!

*INTERNATIONAL legal English exercises for lawyers and law students around the world *100 QUESTIONS ON CIVIL LITIGATION *TESTS complex civil litigation legal English concepts *HELPFUL in dealing with day to day legal English words and phrases using practical examples *LEARN the same concepts and topics taught in English university law programs *USE the workbook to practice understanding *WRITTEN by English lawyers and teachers This legal English exercise book is designed to help international lawyers and law students better understand legal English as used in the UK and around the world. Readers learn the basic principles, terms and concepts that underpin law, then discover how those ideas can be applied in practice. The series introduces technical subjects in easy to understand ways. Learn English legal vocabulary while studying the same topics taught by English legal courses. About the Author Michael Howard is a solicitor and legal English lecturer from London. He grew up in Surrey, England and qualified as a solicitor in 2005. After many years of legal practice he decided to travel around Europe and the Middle East lecturing law and teaching English. His travels took him to Poland, Germany, Dubai, Abu Dhabi and finally back to the UK where he was invited to teach legal English to foreign lawyers and law students at Cambridge University. Michael now works in legal publishing and spends his free time writing dictionaries and exercise books to help foreign lawyers improve their legal English.
