**Steve Pfeiffer : Collecting Case Knives: Identification and Price Guide for Pocket Knives** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collecting Case Knives: Identification and Price Guide for Pocket Knives:

6 of 6 people found the following review helpful. Case Knife book By Kindle Customer Valuable and very informative Case Knife book. This 2nd Edition has more pictures with descriptions and current prices of this vast assortment of old and new knives. In my opinion, any serious Case Knife collector should buy this book. This way, you know the true value of knives you own or are considering buying. 0 of 0 people found the following review helpful. Recommended By bob a grigg Definitely worth the \$20 probably already saved me that much already! Informative

about Case knives prices as well as history of the patterns and the company. Just wish it covered more recent years as far as the collectable knives are concerned. 3 of 3 people found the following review helpful. I was looking for a resource to give me an ...By david winters I was looking for a resource to give me an estimate on value for my Case knives. This book didn't do it

An American Icon! W.R. Case Sons' dedication to fine quality and craftsmanship has made the company's pocket knives cherished possessions passed down through generations, and the most revered and widely collected in the world for more than a century. The only full-color price guide devoted solely to Case pocket knives, this book features nearly 1,000 photos, current values for hundreds of pocket knives from 1920 to today, and detailed information about methods for creating knives, quirks of the pattern numbering systems, tang stamps, types of blade steels, and knife shields. You'll also enjoy: Identifying and pricing details for pocket knives most prized by collectors, including Pattern 20 Peanut, highly popular 54 Pattern Trapper, Pattern 72 Bulldog and Buffalo, and Pattern 97 Shark Tooth A showcase of the different types of natural and synthetic handle materials used to create Case knives, including bone, Delrin, metal, pearl and imitation pearl, stag, and wood A new section of 12 Case modern knife patterns, including the Mid-Folding Hunter and Sway Back, as well as some collaborations with famed knifemaker Tony Bose A new section on bolsters Vintage catalog pages and other items Whether a utilitarian tool to be used or an example of quality and craftsmanship handed down as family heirlooms, this historically rich guide shows why Case remains the most popular brand among knife collectors.

About the Author Steve Pfeiffer, Hudson, MA, has collected Case pocket knives since 1973. He has studied every brand of traditional American-made pocket knives, but Case remains his primary interest.
