I was a little disappointed in the size of this book when it came ...By Ferris FamilyI was a little disappointed in the size of this book when it came in. It is more of a large pocket guide, than a full sized book. It does have a lot of good information for new marble collectors inside. I do wish it had more unique pictures as the pictures seem to be repeated page after page. Overall this is a nice guide, but I think my mom will quickly outgrow it as she collects more.0 of 0 people found the following review helpful. GREAT BOOK!By Susan S.NICE BOOK!0 of 0 people found the following review helpful. Five StarsBy SandyEasy to understand for a beginner. Good pictures.

A first-of-kind book on marble collecting for beginners interested in learning about how to identify and value old marbles.

About the AuthorRichard Maxwell has been fascinated with marbles since his boyhood days, growing up in the rural town of Whiting, Kansas. A Kansas State University graduate, Rich earned his Masters Degree in Urban Education from Saint Louis University, St. Louis, Missouri. Like many Baby Boomers, Rich has had several careers teaching, sales, faith-based development and extensive writing for trade magazines. Twelve years ago his passion for marble collecting was ignited again, when his wife, Lynn, gave him a book on marbles for his birthday. This first-of-kind book, *Collecting Marbles: A Beginners Guide* has united both of Richs current hobbies. Rich and Lynn live in the Kansas City area where one of their favorite pastimes is showing children fun ways to play with marbles, from the old game of Ringer to roller coasters contraptions. But Rich is best known today for his pursuit of old marbles.
