James Paul Gee, Elisabeth R. Hayes : Language and Learning in the Digital Age before purchasing it in order to gage whether or not it would be worth my time, and all praised Language and Learning in the Digital Age:

0 of 0 people found the following review helpful. In very good condition and arrived in a timely mannerBy 5paddlersIt is what my daughter needed for her senior thesis. Very helpful. In very good condition and arrived in a timely manner.0 of 0 people found the following review helpful. Five StarsBy vicki Jacksongreat book0 of 1 people found the following review helpful. InterestingBy Jane-This should probably be a must-read for all students (and teachers.) It

provides information that I found informative and useful in a digital world.

In *Language and Learning in the Digital Age*, linguist James Paul Gee and educator Elisabeth Hayes deal with the forces unleashed by today's digital media, forces that are transforming language and learning for good and ill. They argue that the role of oral language is almost always entirely misunderstood in debates about digital media. Like the earlier inventions of writing and print, digital media actually power up or enhance the powers of oral language. Gee and Hayes deal, as well, with current digital transformations of language and literacy in the context of a growing crisis in traditional schooling in developed countries. With the advent of new forms of digital media, children are increasingly drawn towards video games, social media, and alternative ways of learning. Gee and Hayes explore the way in which these alternative methods of learning can be a force for a paradigm change in schooling. This is an engaging, accessible read both for undergraduate and graduate students and for scholars in language, linguistics, education, media and communication studies.

About the Author James Paul Gee is the Mary Lou Fulton Presidential Professor of Literacy Studies at Arizona State University. He is a member of the National Academy of Education. Elisabeth Hayes is Professor of Education at Arizona State University.
