**Brenda Miller Power, Ruth Shagoury Hubbard : Language Development: A Reader for Teachers (2nd Edition)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Language Development: A Reader for Teachers (2nd Edition):

0 of 0 people found the following review helpful. This book is good reader with interesting articlesBy S-DKSThis book is good reader with interesting articles. However, I would not use it again unless a new edition becomes available.0 of 0 people found the following review helpful. All encompassing readBy atlantageorgia02Very good book... 1st book in a long time that I did not trade in after the semester ended. It takes excerpts from many different writers on various topics of culture and literacy. The reader gets to experience various viewpoints on the same topic.0 of 0 people found the following review helpful. easy to followBy MamabebeEasy to follow along, concise. Learning a lot for class, I am glad I chose the book versus an online version.

This classic book combines landmark studies from key theorists with practical classroom examples in language

development. Current and future teachers are given step-by-step guidance regarding the theories behind language development and inquiry techniques for understanding and investigating links between language and literacy in the classroom. Upon completing the book, readers will have the ability to test theories by observing and documenting language in their classrooms. Learning How to Research Language in Your Classroom; Historical Perspectives and Landmark Studies; Talk in Schools; Sociocultural and Personal Perspectives. For current and future teachers.
