It's a good reference book.0 of 0 people found the following review helpful. Latinoamerica: Presente y pasadoBy Kristin KingIt arrived earlier than expected, well ahead of the date I needed it, and was in perfect condition. Unfortunately, I had to return it after the instructor announced that she's using the fourth edition.0 of 0 people found the following review helpful. Buen recurso para el maestro pero no los estudiantesBy Evan S. CutshawEste texto es un buen recurso para el maestro de una clase de cultura y historia Latinamericana pero no lo puedo recomendar para los estudiantes porque es muy lento de leer y denso en nmeros

estadsticos.

Latinoamrica: presente y pasado, Third Edition, introduces students to the cultures and history of Latin America from pre-Colombian times to the present. Written in an easy-flowing, narrative style, this new edition continues to offer an extensive yet tangible view of Latin American history. Furthermore, Latinoamrica examines the Hispanic experience not only in Latin America, but also in the United States, a topic of increasing relevance and interest.
