before purchasing it in order to gauge whether or not it would be worth my time, and all praised Leadership for Older Adults: Aging With Purpose And Passion:

This study tells the tale of two retirement organizations that reflect common leadership issues throughout the western world, issues that are emerging in many developing countries and have yet to be experienced in others. Wherever rapid

population ageing is coupled with a view of old people as useless and a burden, challenging questions arise: how do we develop the resources and leadership potential of our ageing population? How do we turn old age from an expensive wasteland into a fertile period of growth and development?
