Jon Pynoos, Penny Hollander Feldman, Joann Ahrens : Linking Housing and Services for Older Adults: Obstacles, Options, and Opportunities before purchasing it in order to gage whether or not it would be worth my time, and all praised Linking Housing and Services for Older Adults: Obstacles, Options, and Opportunities:

Packaging supportive services with housinga pressing issue for older adultsThe population of older adults is expected to explode in the coming years. Linking Housing and Services for Older Adults: Obstacles, Options, and Opportunities

examines a crucial, complex, and often overlooked issue for policymakers and the public at large: older adults increasing needs for housing and supportive long-term care services. As baby boomers strive to help their parents make difficult decisions about their options, pressure mounts for policymakers to develop appropriate housing and services. This book brings together respected experts to discuss the answers to difficult questions about meeting the housing and support service needs of aging adults. *Linking Housing and Services for Older Adults: Obstacles, Options, and Opportunities* explores in-depth the tough issues pertaining to which populations are presently being served, what their needs are, and who is being left out. You'll learn exactly what types of services are available, who is providing them, and how are they packaged. From residential care to assisted living to institutional care, this book addresses all facets of the complicated problems of providing availability to fulfill need. This important source presents insightful analysis of the total range of issues and the challenges to progress as well as offering specific recommendations to effectively offer housing and vital long-term care supportive services to older adults. *Linking Housing and Services for Older Adults: Obstacles, Options, and Opportunities* discusses in detail: the argument for increased development of supportive housing for older adults and the barriers preventing it the issues related to providing a variety of housing and service options to the Medicaid population two case studies that illustrate how policies aimed at linking housing and services play out at the state and local level and the need for strong leadership and the ability to develop key partnerships as vital aspects for success the interrelationship of factors regarding nursing home admission, the availability of subsidized housing, and Medicaid eligibility the need for care management to be holistic including environmental care assessment, repair, and renovation management in addition to current long-term care settings creating affordable assisted living facilities for older persons receiving Medicaid services the successful components of the national Coming Home Program four case studies emphasizing different finance and regulatory approaches providing lessons learned for developers, state agencies, and advocates of affordable assisted living This vital educational resource is also an essential reference for local, state, and national policymakers, housing officials, and long-term care providers.

"AN EASY-TO-READ PRIMER addressing critical community based care and housing issues for older adults during this millennium." -- Dina Elani, MHSA, Senior Policy Advisor for Community Integrated Resources, Centers for Medicare and Medicaid, US Department of Health and Human Services "AN INVALUABLE RESOURCE FOR STUDENTS, RESEARCHERS, POLICYMAKERS, AND ACADEMICS interested in housing and supportive services for older adults." -- Victoria Cotrell, PhD, Assistant Professor, Graduate School of Social Work, Portland State University
