From Indiana University Press : Living in the Ottoman Realm: Empire and Identity, 13th to 20th Centuries before purchasing it in order to gauge whether or not it would be worth my time, and all praised Living in the Ottoman Realm: Empire and Identity, 13th to 20th Centuries:

Living in the Ottoman Realm brings the Ottoman Empire to life in all of its ethnic, religious, linguistic, and geographic diversity. The contributors explore the development and transformation of identity over the long span of the empire's existence. They offer engaging accounts of individuals, groups, and communities by drawing on a rich array of primary sources, some available in English translation for the first time. These materials are examined with new methodological approaches to gain a deeper understanding of what it meant to be Ottoman. Designed for use as a course text, each chapter includes study questions and suggestions for further reading.

This unique volume . . . stands out from the many other assembled volumes on the Ottoman Empire due to the focused and coherent picture of the empire it presents. . . . Highly recommended. (Choice) About the Author Christine Isom-Verhaaren is Assistant Professor of History at Brigham Young University. She is author of *Allies with the Infidel: The Ottoman and French Alliance in the Sixteenth Century*. Kent F. Schull is Associate Professor of Ottoman and Modern Middle East History at Binghamton University, SUNY and author of *Prisons in the Late Ottoman Empire: Microcosms of Modernity*.
