Laura Marsh : Living in the Shadows of Milwaukee and On the Trail: Combined Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Living in the Shadows of Milwaukee and On the Trail: Combined Edition:

0 of 0 people found the following review helpful. YUP, WE SHOULD ALL BE HOMELESS.....FOR A WEEKBy Kris KnightTHIS was a compelling book for the most part. think her idea of having everyone be homeless for a week,

the REAL DEAL, would change our nation dramatically. It did get redundant after awhile and there were some definite unanswered questions about why they were still so strapped during the second book, unless they just kept giving so much away to others, which it seems they did. VERY grateful for this book.

Available now as two books in a single volume, read Laura Marsh's journal of her life as a homeless person in a Midwestern city. She chronicles her experiences and observations on the streets in *Living in the Shadows of Milwaukee* and, in its sequel, *On the Trail*, she writes about the challenges that come with getting off the streets while attempting to stay connected to and help her homeless "family" of friends. Reading the collection of vignettes that make up both of these books, you'll grow to love and root for the author and her devoted fianc as they meet challenges large and small, always with the words "God is good!" on their lips and in their hearts.
