It was as if it had never been open or used before, which made it all the more useful to me. As a history major, I tend to keep my novels for future reference and papers, and this is one that was in such good condition I have no intention of letting it go. Thank you very much.0 of 1 people found the following review helpful. Five StarsBy antoin johnsonHave great information0 of 12 people found the following review helpful. One StarBy HelenMy daughter didn't like this book had to have for school

Using first-person narratives collected through oral history interviews, this groundbreaking book collects black women's memories of their public and private lives during the period of legal segregation in the American South.

"An indispensable contribution to African American and women s history. Essential." - CHOICEAbout the AuthorANNE VALK is Associate Director for Programs of the John Nicholas Brown Centre, Brown University, USA. LESLIE BROWN is Assistant Professor of History at Williams College, USA, and the author of Upbuilding Black Durham.
