1 of 1 people found the following review helpful. Five StarsBy KTerrific book about ageism among women. Top notch.0 of 0 people found the following review helpful. This should be required reading in every school and universityBy choclindaThis book is about how our culture treats women with grey hair. It was written in 1993 and is a must in today's culture obsessed with youth. READ THIS BOOK and stop falling prey to a culture that is obsessed with youth.

"A beautiful, courageous, vulnerable book about the stage of life many women are exploring and all women eventually will encounter - if we're lucky." -- Robin Morgan
