By ameLoved it so much, I bought one for my son's preschool, as one of their India-born teachers was teaching the class about Diwali. She said it was the best text to help kids understand this wonderful holiday and was so pleased to have it! Plus, you can't go wrong buying this book, as it helps to support one of the best nonprofit organizations in the world, Pratham, who bring proven literacy programs and wonderful books to millions of kids in India. 1 of 1 people found the following review helpful. Colorful and fun By Yankee Doodle There is a shortage of good diwali books for toddlers. This book has beautiful, colorful illustrations and is fun to read! Plus profits go to Pratham, which is a 4-star charity navigator charity

A fun Diwali story that explains each day of celebration. Helping children understand Indian culture allows them to be better global citizens, and for Indian children in America, it allows them to learn about their culture in a fresh and relevant way. 100% of all profits will be donated to Pratham USA.
