Eva Feder Kittay : Love's Labor: Essays on Women, Equality and Dependency (Thinking Gender) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love's Labor: Essays on Women, Equality and Dependency (Thinking Gender):

14 of 16 people found the following review helpful. Why Disability Matters to Justice By Roger S. Gottlieb I reviewed this book for the spring issue of Tikkun Magazine. In short, I believe it is a feminist classic, opening our eyes to the

obvious. The simple point is that neither the disabled nor those who care for them can participate in social life according to a standard of rational, autonomous individuality. The disabled often don't have the autonomy, the caretakers don't have the time or energy. Kittay's book opens up a whole field of discussion: how to reorient our concepts of justice and community in light of the obvious facts of the different ways in which we are dependent on each other, and on what such dependence can cost those who take it on. Essential reading for ethics and social theory.

First Published in 1999. Routledge is an imprint of Taylor Francis, an informa company.

..."Kittay gives a moving account of her experience raising her profoundly retarded daughter, Sessa; this finely wrought material bears testimony to Kittay's ability to draw significant philosophical conclusions from observation of and reflection on daily life."-Mary Lyndon Shanley, "Hypatia ""Love's Labor is a marvelous book: a must-read for anyone interested in feminist moral and political philosophy."-Louise Collins, "National Women's Studies Association Journal "Kittay's "Love's Labor is an important contribution to the feminist aspiration of greater equality and justice for women... It also contributes significantly to both the field of contemporary political theory and to present-day social policies."-S. Matthew Liao, "Philosophy in .."breathhtakingly new to the world of ethics and social theory as to be groundbreaking and critically important."-"Tikkun ""Love's Labor combines rigorous analysis, informed political argument and passionate personal reflection. This is a magnificent book which might just transform the way we do political philosophy and lead our political lives."-Sara Ruddick, author of "Maternal Thinking: Toward a Politics of Peace About the AuthorEva Kittay is Professor of Philosophy at SUNY Stony Brook.
