Bertena Varney, Indie Publishing House : Lure of the Vampire: A Pop Culture Reference Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Lure of the Vampire: A Pop Culture Reference Book:

This is the THIRD and most recent edition. Lure of the Vampire is a pop culture reference book that takes you on a

journey through the mythology and history of the monstrous vampires through the romantic and, at times, scary vampires in movies, television, and books. Included in this definitive guide are interviews with real vampires and an extensive bibliography, lists, and websites for readers to continue their journey long after they have read the book. The author discusses a variety of vampire-related topics, such as why vampires are currently so gentle in movies, such as *Twilight*, compared to classics such as *Dracula*, and why women are lured to the vampire boyfriend and read every romance book about these bad boys that they can get their hands on. *Lure of the Vampire* provides the readers with clear cut sections beginning with the mythology of the vampire and going next to history, literature, movies, recreation, websites, and to modern times where the author interviews real life vampires. This is the third and final updated edition of this book. The previous editions have won multiple awards including Amazon and Kindle Best Seller in pop culture and reference categories. Her vampire live action role playing character was used by Elizabeth Loraine in collaboration on a fiction novella, titled *Lillian: A Vampires Story* which is available at the end of this book for free!

From the Author Bertena Varney is a sociology professor at Southcentral Community College in Bowling Green, KY. She holds masters degrees in sociology, criminology, social science and education. She was named to the Top Women in Horror in 2012 by *Venom and Honey* and *Blaze McRob's Tales of Terrors* in 2014 and has been nicknamed the Vampire Professor.
