Julian Rees : Making Light Handbook For Freemasons before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Light Handbook For Freemasons:

0 of 0 people found the following review helpful. Further LightBy EzraExcellent book on symbolism in the three degrees of masonry, including the definitions. The book does seem to be way overpriced, although it is hard to ascribe a dollar value to the content. You can purchase it at McCoy Publishing for \$27.00.5 of 5 people found the following review helpful. simply a mustBy Bernardo San MartinThere are many books about the different steps in freemasonry but a few ones about the craft levels in Emulation Ritual, even though could be useful for any other one. This is a crystal clear view of the ceremonies, and the profound meaning of them. PLEASE BUY IT if you are an E.:A.: or even if you have progressed further in the craft.0 of 0 people found the following review helpful. Lifting the VeilBy Paul

ClarkHere is a book for the inquiring brother. It reveals there is more to the ceremonies than just empty form. This book lifts the corner of the veil and gives an enticing glimpse at the light beyond.

At last an easy-to-read guide to the path of self-knowledge and self-improvement that is Freemasonry. This volume takes the reader through each of the three degrees of Craft Freemasonry, explaining how best to gain insight from the study and application of these teachings. For the newly made Mason, this book provides an explanation of the ceremony and a glossary of Masonic terminology. It also provides a similar guide for future degrees of Masonic progression. For the experienced Freemason it illustrates interesting and largely unknown aspects of the symbolism of the three degrees. To discover the true Masonic secret, we have to work to bring it forth; this book is the manual for that great work.

About the Author Julian Rees was born in London. He was initiated in the Kirby Lodge in London, was Master in 1976 and 1999. He has been a regular contributor to the quarterly magazine Freemasonry Today. He was one of the founding members of the Cornerstone Society, serving as secretary, and has lectured extensively to lodges in this country.
