"What does it mean to be a man and a disciple? For too long, the Church's outreach and witness to men has suffered from a lack of coherence, vision, and zeal--a sad situation that has left too many men at the margins of the Church's missionary endeavors. Man Up! is evidence that a hope-filled change is in the making. Jared Zimmerer, with his "Man Up!" team, is boldly taking the lead into one of the great peripheries of the New Evangelization."Very Reverend Robert BarronFounder, Word on Fire Catholic MinistriesRector, Mundelein Seminary"Let us hope and pray that this book will play its part in inspiring a twenty-first century army of Catholic gentlemen...renaissance noble men who will lead a new resurrection."Foreword by Fr.
