From Example Product Brand : Max Pam: Indian Ocean Journals before purchasing it in order to gage whether or not it would be worth my time, and all praised Max Pam: Indian Ocean Journals:

2 of 2 people found the following review helpful. Intense, vibrant, sometimes self indulgent but unforgettableBy Francis B. HarrisonPhotographically this is pretty much a "cult" book, which badly needs to be re-issued, such is the demand.A visual diary of Pam's peregrinations in South Asia, Yemen, etc, spanning twenty years or more, it is remarkable for the vibrancy of the portraits, possibly enhanced by judicious use of slow shutter speeds. Many of the images are searingly unforgettable, sometimes dreamlike, always strong.ONE CAVEAT (accounting for the 4 stars instead of 5): I deplore the presence of the obligatory SE Asian naked bar girl pics in what is otherwise a powerful and hugely dignified work. I suspect Pam may have started a sad trend among Western shooters, which consists of displaying blurred pictures of naked Asian girls in the name of what.. Full disclosure? Honesty? Beyond the prurient value I cannot see a justification for these. All I know is the idea was picked up and amplified by such perverse luminaries as Antoine D'Agata of Magnum Photos, who has made a specialty of this exploitative, debasing genre.
