CustomerI had a copy of this book and enjoyed it for years. These stories are so well-written that they have remained
with me for more than 20 years. I have just ordered another copy because I miss the stories so much and want to share
them with others, including my students.

Celebrate the holidays with 15 great women writersFrom Louisa May Alcott and Willa Cather, to Grace Paley and
Ntozake Shange, this unique collection of Christmas stories spans over 100 years--and includes some of the best short
