This is a great read. The essays are very easy to pick up and read individually or to sit and read a larger section. I read this book mostly out of order, grabbing what caught my attention. This inspired a lot of critical thinking and writing as well as poetry from me.

Medicine stories isn't just for feminists, it is for everybody. It is about telling your story and healing. It is about community sharing and welcoming wholeness, because you deserve to be whole and you deserve to heal.

I haven't read the book but overall the book itself was in like new condition. No tears up, no highlights. Just great

Drawing vibrant connections between the colonization of whole nations, the health of the mountainsides and the abuse of individual women, children and men, *Medicine Stories* offers the paradigm of integrity as a political model to people who hunger for a world of justice, health and love.

"Aurora Levins Morales opens our eyes to the risks we need to confront in order to do serious feminist history." -- Cynthia Enloe, author of *Bananas, Beaches, and Bases*

About the Author
Poet, essayist, and historian Aurora Levins Morales was raised a red-diaper baby in the hills of Puerto Rico by her Jewish and Puerto Rican parents. She is the author of *Getting Home Alive*, a multi-genre work co-written with her mother, Rosario Morales, and *Remedios*, a prose-poetry retelling of the history of the Atlantic world, through the lives of Puerto Rican women. Her essays have appeared in *Ms.*, *Women's of Books*, and numerous anthologies. She holds a doctorate in Women's Studies and History and lectures nationally. She lives in San Francisco and Minneapolis.
