Robin Nelson : Memorial Day (First Step Nonfiction (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Memorial Day (First Step Nonfiction (Paperback)):

By Stacy Romanjuk
My first grade kids were able to understand and learn a lot about this important holiday through this book. A great, short read with nice photos. It is a small size book, so I showed it under my document camera so that everyone could see the photos easily.

A simple introduction to why and how we celebrate Memorial Day. Color photographs reflect the short, easy-to-understand sentences that improve vocabulary and comprehension.
