Elizabeth F. Fidler : Men Still at Work: Professionals Over Sixty and On the Job before purchasing it in order to gage whether or not it would be worth my time, and all praised Men Still at Work: Professionals Over Sixty and On the Job:

Men Still at Work explores the reasons why many men are continuing to work well beyond the traditional retirement age. In today's challenging economy, they are the second-fastest growing group of workers (just behind older women). Filled with profiles of older working men, as well as dynamic interview quotes, Men Still at Work explores thorny issues such as masculinity and the need to provide, as well as economic issues, job satisfaction, and more.
