From imusti : Methods of Critical Discourse Studies (Introducing Qualitative Methods series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Methods of Critical Discourse Studies (Introducing Qualitative Methods series):

1 of 1 people found the following review helpful. New edition of excellent book a must-read By Tucson resident This new edition of this excellent book is a must-read for anyone interested in critical discourse studies (including CDA). It's a vital resource for graduate students and faculty, and could even be used judiciously in undergraduate courses. The updating of the book is extensive and incisive. 0 of 1 people found the following review helpful. Tough read. By Samantha Gans Tough read, but it'll get you a great critical paper if you take the time to understand the concepts of

each type of critique. 0 of 1 people found the following review helpful. Four Stars By Katherine Brenna very thorough overview of CDA

This is a sophisticated and nuanced introduction to critical discourse analysis (CDA) that covers a range of topics in an accessible, engaging style. With international examples and an interdisciplinary approach, readers gain a rich understanding of the many angles into critical discourse analysis, the fundamentals of how analysis works and examples from written texts, online data and images. This new edition: expands coverage of multimodality adds two new chapters on social media and analysis of online data supports learning with a guided introduction to each chapter includes a new and extended glossary Clearly written, practical and rigorous in its approach, this book is the ideal companion when embarking on research that focuses on discourse and meaning-making. Available with Perusall eBook that makes it easier to prepare for class Perusall is an award-winning eBook platform featuring social annotation tools that allow students and instructors to collaboratively mark up and discuss their SAGE textbook. Backed by research and supported by technological innovations developed at Harvard University, this process of learning through collaborative annotation keeps your students engaged and makes teaching easier and more effective. This volume offers the most thorough introduction to current methods and areas of application of critical discourse analysis, collecting and representing the work of the leading scholars in the field. This book is a must and an invaluable resource for scholars and students interested in the nexus between discourse, power and society.--Anna De Fina This is the best overview of CDS I know. Revised, updated with new topics such as social media, and easier to read. This book is a must for all students of discourse studies.--Jan Renkema A classic collection on critical discourse analysis. Bringing together seminal pieces by the leading figures of the field and innovative contributions by younger scholars, this updated and enhanced edition constitutes both an important scholarly achievement and a most valuable teaching resource.--Lilie Chouliaraki This volume offers the most thorough introduction to current methods and areas of application of critical discourse analysis, collecting and representing the work of the leading scholars in the field. This book is a must and an invaluable resource for scholars and students interested in the nexus between discourse, power and society. (Anna De Fina) This is the best overview of CDS I know. Revised, updated with new topics such as social media, and easier to read. This book is a must for all students of discourse studies. (Jan Renkema) A classic collection on critical discourse analysis. Bringing together seminal pieces by the leading figures of the field and innovative contributions by younger scholars, this updated and enhanced edition constitutes both an important scholarly achievement and a most valuable teaching resource. (Lilie Chouliaraki) About the Author Ruth Wodak is Distinguished Professor of Discourse Studies at Lancaster University. Her research interests focus on discourse studies; identity politics; racism, antisemitism and other forms of discrimination; and on ethnographic methods of linguistic field work. She was awarded the Wittgenstein Prize for Elite Researchers in 1996 and an Honorary Doctorate from University of Umeå in Sweden in 2010. She has held visiting professorships in University of Uppsala, Stanford University, University Minnesota, University of East Anglia, and Georgetown University (Washington, DC). She is a member of the British Academy of Social Sciences and a member of the Academia Europaea. In 2008, she was awarded the Kerstin Hesselgren Chair of the Swedish Parliament (at University Umeå). Ruth is co-editor of the SAGE journal Discourse Society, and of the journals Critical Discourse Studies and Journal of Language and Politics. Recent book publications include: *The discourse of politics in action: Politics as Usual* (2011), *Critical Discourse Analysis* (4 volumes, 2013), *Migration, Identity and Belonging* (with G. Delanty and P. Jones, 2011), *The Discursive Construction of History: Remembering the German Wehrmacht's War of Annihilation* (with H. Heer, W. Manoschek, and A. Pollak, 2008), *The Politics of Exclusion: Debating Migration in Austria* (with M. Krzyzanowski, 2009), *The SAGE Handbook of Sociolinguistics* (with B. Johnstone and P. Kerswill, 2010), *Analyzing Fascist Discourse: Fascism in Talk and Text* (with J. E. Richardson, 2013), and *Rightwing Populism in Europe: Politics and Discourse* (with M. Khosravi-Nik and B. Mral, 2013). Michael Meyer is Professor for Business Administration at Vienna University of Economics and Business.
