The Political Thought of an Extremist - A Useful Primer By John Smith "Milestones" is a valuable primary source for the study of Islamic fundamentalism in the 20th century. Qutb's arguments present the flaws and vigor of extremist thinking: his ideal society is poorly delineated, and his desire for

"freedom" clashes sharply with his desire to violently silence those who disagree with him. Furthermore, Qutb's notions of the inherent corruption and bankruptcy of man never manage to escape the reality that even in a "divinely ordained" society, the agents and authorities of its execution will always be human beings. 0 of 0 people found the following review helpful. Nice introductory guide to the modern Islamic world By Leon Lam Good starting point to understand Islamic fundamentalism. Qutb's influence to later radicals is certainly genuine. Milestones is a succinct summary of his ideology.

The author speaks about the unique Quranic generation, the nature of the Quranic method, the characteristics of Islamic society, jihad in the cause of God, and a Muslim's nationality and his belief among other things.

About the Author an Egyptian Islamist, author, educator and poet. He was also the leading member of the Muslim Brotherhood in Egypt in the 1950s and 1960s. His masterpiece is the 30 volume commentaries on the Quran: In the Shade of the Quran, which is mandatory bedtime reading for members of Muslim Brotherhood, Jamaat e Islami, Hizbut Tahrir, ISIS, Al-Qaeda, Islamic Jihad and similar groups. Milestones is one of his works on social justice and the role of Islam in politics. Sayyid Qutb was an outstanding personality from amongst the great figures of Islamic thought, from the men of contemporary Islamic Awakening. He possessed the true Imaanic stance, a person of Jihad, struggle, sacrifice, and sincerity to the Ummah. He enriched the Islamic heritage with masterpieces of work from literature and thought. Shaykh Ahmed Fareed, Mawaaqif Imaaniyah I say that there is a chapter in this book (Milestones) which is of great benefit, called La ilaha illallah minhaj hayah he (Sayyid Qutb) has written some words which I believe are like light from light ilham (inspiration) Shaykh Nasiruddeen al-Albani, al-Itidal fee Sayyid Qutb Sayyid Qutb is the most famous personality of the Muslim world in the second half of the 20th century. We heard that the death sentence on Imam Shahid Sayyid Qutb had been carried out. Such a great loss. Sayyid Qutb a man who held fast to his religion, trusting in Allah's victory.
