David Wagner : "Miracle Worker" and the Transcendentalist: Annie Sullivan, Franklin Sanborn, and the Education of Helen Keller before purchasing it in order to gage whether or not it would be worth my time, and all praised "Miracle Worker" and the Transcendentalist: Annie Sullivan, Franklin Sanborn, and the Education of Helen Keller:

0 of 0 people found the following review helpful. Very good!By SATOSHI ONOVery good!

Helen Keller and her teacher, Annie Sullivan, remain two of the best-known American women. But few people know how Sullivan came to her role as teacher of the deaf and blind Keller. Contrasting their lives with Franklin Benjamin Sanborn, the era's prominent abolitionist, this book sheds light on the gender and disability expectations that affected the public perception of Sullivan and Keller. This book provides a fascinating insight into class, ethnicity, gender, and disability issues in the Gilded Age and Progressive-Era America.

"the most obvious strength...is Wagner's style of weaving historical facts together in such a way that makes it feel like you are reading a good novel" *Journal of Social Work Values and Ethics*
