**Susan Ware : Modern American Women: A Documentary History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern American Women: A Documentary History:

0 of 0 people found the following review helpful. Five StarsBy ZGood deal, shipped quickly, and the book was in good condition. thanks.

This anthology documents the diversity of 20th Century American women's lives. Seventy-five documents are introduced on the significance of the piece, and extensive background material which covers the major themes. This book should be of interest to degree courses of history and women's studies.
