By Shelby I usually enjoy reading texts especially since it pertains to my field, however I found this textbook extremely difficult to read. Not because of the concepts but I found the author's examples and text altogether is just odd to read, as if it were written by an amateur. I don't know what it is exactly but I'll tell you you will not enjoy reading every word of this textbook. 1 of 1 people found the following review helpful. A little confusing By caleb thompson This is one of those books that you need to read each chapter a few times to really understand what they are trying to teach you. 0 of 0 people found the following review helpful. Four Stars By KS Good text for the course work.

Now even more accessible and student-friendly, the Sixth Edition of the market leading RESEARCH METHODS FOR CRIMINAL JUSTICE AND CRIMINOLOGY combines the scholarship, accuracy, and conversational tone of Earl Babbie's bestselling THE PRACTICE OF SOCIAL RESEARCH with Mike Maxfield's expertise in criminology and criminal justice. Providing the most comprehensive, authoritative introduction to criminal justice research available today, this edition continues its focus on getting students to DO research and is enhanced by new examples, research, applications, and built-in study tools. Throughout the book, Maxfield illustrates the rewards and challenges of research using examples of his own students' research as well as examples from recent published studies.

About the Author Michael G. Maxfield is Professor of Criminal Justice at John Jay College, City University of New York. He is the author of numerous articles and books on a variety of topics, including victimization, policing, homicide, community corrections, and long-term consequences of child abuse and neglect. Working with students and colleagues at the John Jay College Research and Evaluation Center, Professor Maxfield developed the evidence generation approach to applied justice research. He is editor of the Journal of Research in Crime and Delinquency. Earl R. Babbie graduated from Harvard University before enlisting in the U.S. Marine Corps. He received his Ph.D. from the University of California, Berkeley, and began teaching shortly thereafter. Credited with defining research methods for the social sciences, Dr. Babbie has written several texts, including the bestselling THE PRACTICE OF SOCIAL RESEARCH and THE BASICS OF SOCIAL RESEARCH.
