**Robert J. Mutchnick, Bruce L. Berg, Connie Ireland : Research Methods for Criminal Justice and the Social Sciences** before purchasing it in order to gage whether or not it would be worth my time, and all praised Research Methods for Criminal Justice and the Social Sciences:

0 of 0 people found the following review helpful. One StarBy CustomerI really hated this text book.0 of 0 people found the following review helpful. Five StarsBy mikegood price0 of 0 people found the following review helpful. Three StarsBy howard drakefor school...that's all I can say

Research Methods for Criminal Justice and the Social Sciences combines a traditional research book with exercises that allow students to experience research in a controlled environment. It is a companion methods/manual for use with most traditional social scientific research textbooks. This book offers readers basic information about methodological concerns (brief readings); and a variety of practices exercises relating to those readings. Some features of this book:

Each chapter begins with a BRIEF discussion of the elements relevant to a basic understanding of research methods

From the Back Cover "Research Methods for Criminal Justice and the Social Sciences" combines a traditional research book with exercises that allow students to experience research in a controlled environment. It is a companion methods/manual for use with most traditional social scientific research textbooks. This book offers readers basic information about methodological concerns (brief readings); and a variety of practices exercises relating to those readings. Some features of this book: Each chapter begins with a BRIEF discussion of the elements relevant to a basic understanding of research methods After each section of each chapter are several abstracted reprints containing basic intros of published articles Each reading is then followed with an Application Exercise which relates to the methodological procedure in the abstracted reprint...all exercises were designed to be completed by college students and allows them to get their "hands dirty with the This is a perfect resource for individuals interested in the field of criminal justice, criminology, or sociology.
